

Vinal Tech Athletics Captaincy Prerequisites and Requirements

Competition - Sportsmanship - Citizenship

Captaincy Philosophy:

Being named a captain of a team is a distinguished honor marked with responsibility on the field of play, in the classrooms/hallways and in the community. We view captains as a representation of the core values of the athletic program. This is not an individual award and does require work and commitment above and beyond standard participation.

Prerequisites and Requirements:

Competition

- Has had prior year as a competitive member of the varsity team
- Is a current Junior or Senior
- Takes part in out of season training to work on skills and improve

Sportsmanship

- Demonstrates sportsmanship during games and practice to officials, opposing teams, teammates and coaches
- Has not been ejected from a contest due to a reason involving poor sportsmanship
- Has the ability to step in and correct teammates in a positive fashion when potential poor sportsmanship occurs

Citizenship

- Has not been suspended OSS in previous 2 quarters and has demonstrated restoration and clear/obvious consistent change in behavior in school
- Has not failed classes within previous 2 quarters of application
- Does not regularly violate school rules (including, class tardy, dress code, etc.)

Application:

Once you feel as a student-athlete you meet all requirements listed above, please complete this application for consideration of captaincy.
